

2011

Dear LPGA-USGA Girls Golf Member,

Welcome to the 2011 season of the LPGA-USGA Girls Golf of San Diego. This will be our eighth official season. Many of you have been with us from the beginning and are now well on your way to enjoying golf for a lifetime. As always it will be my pleasure to serve you and your friends. Each of the instructors and I will give you our best efforts to help you learn many things about the game of golf. To ensure the success of this program E many people, including your parents, will contribute their efforts and resources. Please be respectful of everyone involved.

At each event, we will serve your needs to the best of our abilities. As a teaching team, we can create exciting learning opportunities, but it is up to you to take advantage of the opportunities given to you. We look forward to positive and productive practice sessions and the special events we have planned. If you choose to become a better golfer, it will happen only if you give your best efforts. Please enjoy your time at the golf course and be patient with yourself as you learn the game. Golf is not a game of perfect and everyone makes mistakes. The instructors and the ER staff want everyone to have fun and giggle a lot, but we also want everyone to be safe and to show respect for her fellow golfers. It is important that you be attentive and participates fully to reap reward. If you are a course player, we must know if you won't be playing.

Please consider that as I commit to you, I am asking that you commit to me in return. IT IS ESSENTIAL THAT WE KNOW HOW MANY GIRLS ARE PARTICPATING IN EACH EVENT- PLEASE LET ME KNOW IF YOU CAN'T MAKE AN EVENT. This agreement is to make you aware of your word being your bond. Please be accountable-Your word means a lot to me.

The LPGA-USGA Girls Golf events are designed with you and your skill level in mind. Each event is planned and timed based upon you being there. To the best of your ability, be on time. Without notice, no shows and late shows make my job very difficult. It is very important to have a decent student instructor ratio for certain events. Consistent participation is key to our program. Thank you, in advance, for an GREAT SEASON 8!

Happy Golfing!

Jacqui Nicoletti-McSorley

I commit to living up to my word and will let coach know when I can't.
